

BROOKE

Dear Expectant Parent,

THE DECISION YOU ARE MAKING FOR YOUR CHILD IS VERY COURAGEOUS! I am grateful to you for considering adoption, and I Thank You So Much for taking the time to learn about who I am, my life, and what I can provide as a parent to your child. I know that you have your child's best interest at heart, and I will always do the same.

Although I am single and do not have children yet, I am blessed to have an amazing family and group of friends who support me in all that I do,

especially the decision to adopt and raise a child. Through trials and tribulations, I tried many times to conceive to no avail. I have wanted children since I can remember. As a child, when anyone asked what I wanted to be when I grew up my response was always a mother.

I will bring with me an open heart, happy smiles, and lots of laughter. I will be there through all the little losses and the big wins! I am ready, and so excited to share my life with such a HUGE blessing!!

Brooke

about ME

I am an outgoing and silly person when I am with my family and friends. People say I am very witty, which I take as a compliment. I have what could be considered a southern accent even though I am from the Midwest, which adds to people's laughter. I am extremely thoughtful and believe in helping others as much as I can.

My family, friends, and colleagues see me as a leader and a nurturer. I am goal-orientated and very organized. I also am sensitive and compassionate! I like to believe I am a down-to-earth person. I believe in working hard, being good to people, and try to be thankful for all that I have.

I WILL TEACH MY CHILD:

- TO BE PROUD OF THEMSELVES
- TO BE HONEST
- TO TRY THEIR BEST
- TO BE KIND
- TO ENJOY LIFE

CHANGING LIVES, *one little mind at a time*

I am an Early Childhood Education Teacher that loves my job! I teach Pre-K for a school district. I also have a Master's Degree in English Speakers of Other Languages, which I have a huge passion for! I have taught for 13 years. During these years I have taught Pre-K through First Grade, and I love the Little Ones!! I currently work with 4- year old children with big personalities! I love seeing them learn and grow! Every day is a new adventure!

I feel blessed to have the job that I do because it allows me time to be able to raise a child! I am off work every day by 4pm, and I have weekends off. I do not work any holidays. I have extended breaks for Thanksgiving, Christmas, and Spring Break allowing even more time. Best of all is that I am off work all summer long!!! I have always thought teaching would be the perfect career to balance work and home life!!

FUN FACT: I love Christmas when all of my family gets together for food, games, football, and fun!!

THE PEOPLE I love

Family means **EVERYTHING** to me!! I have such an awesome, and tight-knit family! *My parents have been married for over 45 years!! They live within five minutes of me, and they are the heart of our family.* They are always there for me and my siblings. *They are also very active and involved with their grandchildren!!*

I have an older sister that lives in another state with her husband and children. She and her husband are amazing parents! She is very special to me! We talk on the phone almost every day. My brother-in-law is so awesome, and I couldn't ask for better nieces and a nephew!!

I have a younger brother who lives just five minutes from me. He and I are very close! He has two children, and I spend a lot of time with them. My brother is so much fun, and he has a big heart! He is a great father to my niece and nephew!

I have an amazing extended family as well. We all get along so well, and we have so much fun! Many of them live near, and we get together on holidays with all their families and children. *I have had the same friends since childhood.* We have all seen each other grow, and now everyone has families of their own. It is fun when I get a chance to spend time with any of my dear friends.

MY COZY AND QUAINT HOME

home SWEET home

I have a home plenty big for a family, yet cozy and quaint!! My home is very warm and welcoming! It has space to relax and have fun in.

There is also a *nice yard to play in.* There is plenty of safe space to ride bikes, too. My parents, grandmother, brother and his small children, as well as my extended relatives all live within close proximity. There will be lots of love surrounding your child!

Within walking distance are several parks, public pool, public library, schools, restaurants, recreation center, walking/bike trails, shopping, and much more.

one last THANK YOU

I am forever grateful for the selflessness and sacrifice you have made in giving me the opportunity of motherhood. You have made my BIGGEST dream a REALITY. *I will ensure that your child knows how loved they are by both of us.* I will ensure that you will always hold a dear place in our hearts!
