

BEN & JESSICA

Dear Expectant Parent,

WE ARE BEN AND JESSICA FROM KANSAS CITY! Thank you so much for taking the time to read our profile. We are in awe of your courage and selflessness in making the decision to choose adoption for your child. We know that this is a difficult decision for you to make, and we hope to be the couple that walks with you through the adoption process. We were blessed to add our son Isaac to our family through adoption in 2017. Now Isaac wants to be an adoring big brother! We hope to share with you how we can love, protect and provide a loving home for your child.

about US

We began dating in 2011 after meeting on eHarmony. We both knew on the first date that it was the start of something special. Jessica loved the way she could talk and laugh with him for hours on end (and those gorgeous green eyes!), and Ben was captivated by her smile and her witty sense of humor from the moment he laid eyes on her. We were married in 2012.

Although we cannot have biological children of our own, we've had a great experience with adoption through the adoption of our son Isaac in November of 2017. Isaac, along with our two nephews and two nieces (who were also adopted), have been the biggest blessings to our family. We can't wait to add another child into our loving home!

our FAITH

We are Christians and believe in God's love and mercy for all people. Our faith is the cornerstone of our marriage and family, and we look to God for guidance in our lives. *We are active members in our non-denominational church* and are involved in ministries such as nursery, worship team vocals, VBS and bible studies. *We have an amazing church family that supports and loves us unconditionally.*

Isaac is an outgoing, happy and talkative two year old! He loves trains, dogs, playing outdoors, singing and stories. He is curious and adventure seeking and is very inclusive and loves other children. *He and his daddy love to chase each other around, have tickle fights and sing silly songs. He also loves cuddles with Mommy and adventures to the zoo.* Isaac has brought more joy and love into our home than we could have possibly imagined prior to his adoption.

about JESSICA (BY BEN)

Jessica is the person I always want to talk to; whether it be a funny story, a challenge at work, or a concern for the future. She is compassionate and understanding. Her heart goes out to anyone she sees in need. Jessica works in Human Resources at a manufacturing company, focusing on employee benefits and employee satisfaction. She enjoys working with people, and ensuring that her employees are happy and taken care of. *Jessica is hilarious with a snarky sense of humor.* She loves to quote her favorite movies and sing along to songs on the radio. Jessica is an amazing baker. She enjoys making desserts and treats for her friends and coworkers, but especially for me. She also volunteers in the nursery at church on Sunday mornings. *Her love for children is evident in every encounter she has with them.* I love watching her love and care for Isaac. Their bond is strong and I look forward to watching her become a mother all over again.

about BEN (BY JESSICA)

Ben is the love of my life and my best friend. He is kind, honorable, and has one of the best work ethics I have ever seen. Ben works full time as a Sales Representative for a company that sells industrial supplies. His outgoing nature and ability to talk/relate to anyone aids in this position. *Ben plays with every child he encounters as if they were his own nieces and nephews- with boundless joy and energy!* Ben is an excellent photographer by hobby. He loves sugar- especially baked goods, and can quote movies with the best of them. He loves Star Wars, board games, sports, and having friends over to enjoy his amazing cooking skills. *Ben makes Isaac and me laugh every day. He is an excellent father and shows us he loves us every day.*

THE PEOPLE WE *love*

Our family is the most important thing to us. Both of our parents have been happily married for over 40 years. *We are both very close with our families, and we love to spend time together whenever possible.* Ben's sister lives in central Kansas with her husband and two sons, ages nine and four. Jessica's brother lives with his wife and two adopted daughters in Oregon, ages seven and five. We love spending time with our nieces and nephews whenever we can. Isaac is close with his cousins, and your child would be welcomed into a family with five kids ready to love him/her.

our promise

- To *love and protect your child* throughout their life
- To *share the love of Christ* and raise them in a Christian home
- To *share with them the story of their adoption* and remind them often of how much their birth family loves them
- To *share pictures and updates with you* as they grow up
- To have a *home full of fun, love and lots of laughter*
- To *keep our family strong* and be the best parents that we can be
- To *surround them with the love of siblings, grandparents, aunts, uncles, cousins and friends*
- To provide them with a *good education* and opportunities to travel
- To *teach them to love others, respect others*, help others and learn to trust God throughout their life

FAMILY TIME AT THE LAKE HOUSE

OUR HOME - WELCOME!

our HOME & COMMUNITY

We live in a very nice and cozy home in the quiet suburbs of Kansas City. *We love our neighborhood! It is an amazing place with tree-lined streets, tons of young kids and it's just a short walk down the street from our local park.* We own a 4 bedroom home that we currently share with our son Isaac and our two adorable kitties! We have a fenced-in backyard with an above ground swimming pool, where we love to have friends and family over for good food and laughs.

in CLOSING

We hope that you have gotten a glimpse of what we desire to give to our children. *Our jobs are not what drives our lives; family and relationships are.* We both work full time to provide for our family and ensure that they live in a safe and loving home. *We have plenty of flexible time (as well as evenings and weekends) to spend time as a family and will make family a priority above all else.*

Bringing another child into our family in the near future would be a dream come true! If you decide to choose us as adoptive parents to your child, we will do everything in our ability to be the best parents possible.

With love, *Ben and Jessica*
