

TOI & BRYCE

Dear Expectant Parent,

WE WILL NEVER ASSUME TO KNOW WHAT YOU ARE GOING THROUGH RIGHT NOW AND ALL OF THE FEELINGS THAT YOU ARE DEALING WITH. What we do want you to know is that we pray for you and your baby daily. Even if you don't choose us as parents for your child, we are still praying for you. Our prayer is that you find peace with your decision and that you have a happy fulfilled life. Someone with your bravery and courage deserves nothing less.

We want nothing more than to grow our family. We can't wait to share all of our love with a very special child that has been chosen for us.

about US

We met in 2011 and were married in 2012. In 2013 Alyson joined our family. We live a quiet life in a cream and green split-level home on a peaceful street along with our dog, Fletcher. Our favorite place to be is at home as a family. We spend a lot of time outside playing, blowing bubbles or dandelions, drawing with chalk, or working in our garden. If we are inside, we are usually cooking, baking, watching KU basketball or Cardinals baseball, reading, playing games or doing some kind of messy art project.

career INFO

Bryce's dream has always been to own a restaurant. Shortly after we got married an opportunity came along that allowed Bryce to make this dream come true. We have worked very hard as a family to make the restaurant the successful business that it is today.

Toi works in the Defense industry at a large company. Due to the sensitive nature of her job there isn't much information that can be shared.

WE'RE EXCITED TO HAVE ANOTHER LITTLE HAND TO HOLD ON OUR WALKS!

WHAT WE LOVE TO DO FOR FUN!

As a family we enjoy **cooking** and **gardening**. We try to cook one meal together as a complete family at least once a week. In our family food is a love language! We also enjoy **gardening**. In the Spring and Summer, we spend countless hours outside planting, taking care of and harvesting our garden.

Bryce LOVES **KU basketball** and **Cardinal baseball**

Toi likes to **read** and **collect cookbooks**.

Alyson loves... dinosaurs, rocks, pine cones, animals, flowers, books, blowing dandelions, Little House on the Prairie, bubbles, the library, singing, dancing, playing outside, coloring and painting, puzzles and picnics in the backyard.

meet ALYSON

Alyson loves with her whole being. She almost vibrates with happiness. You just can't help but smile when you are with her. She is kind, loving, smart, empathetic and funny. She brings so much joy into this world.

Her one true love is her family and her home. There is no one she would rather be with than her mommy, daddy and dog and there is no place she would rather be than in her home!

SIDEWALK ART!

meet TOI (BY BRYCE)

She is kind, patient, funny and compassionate. Her largest joy comes from her family. She has taught me that happiness is in the small things like, dirty toddler faces, digging in the dirt and hunting for treasures (like leaves, sticks and rocks). Toi has taught me that finger paint on the floor can be cleaned up after dinner, and the clean laundry doesn't have to be folded immediately. She has helped me to be more patient and present for the really important things in life.

meet BRYCE (BY TOI)

Bryce is one of the kindest people you will ever meet in your life. He sees the best in everyone. He is an amazing husband and father and loves his family with his whole heart. Our daughter and I both know that there is nowhere else he would rather be than at home with us. And there is no where we would rather have him. Alyson and I also know that there is nothing he wouldn't do for us.

OUR EXTENDED family

Bryce's parents and his sister and her family, including five children, live five minutes from us. They provide us with a very tight support system.

Toi's mom lives in Texas, but is still involved in our lives. She visits once or twice a year. We call her multiple times a week to keep her up to date on what is going on in our lives.

AND FLETCHIE!

No profile of this family would be complete without mentioning our Fletcher boy. **Fletchie is a one year old Boxer. He is a huge part of this family.** His complete silliness makes us laugh constantly. He loves his adult people, but his real love is for his little human. Alyson and Fletcher are the best of friends.

our PRAYER

Everyone in our family, including Alyson, want to welcome a new baby into our home. We LOVE being parents. The thought of not doing it again would break our hearts. Alyson wants nothing more than to be a big sister. She has already picked names for her baby brother or sister. Nothing would make her happier than to be a big sister. She talks about her future sibling all the time. We are praying for a special baby chosen just for us to complete our family.

every day life in our HOME

We try to make each day special in even the littlest way. It might be going to the library, eating dinner on the driveway while we play with sidewalk chalk, getting donuts on a Saturday morning and taking them to the zoo, taking a game or puzzle outside to enjoy the weather, reading extra books at bedtime, having a picnic in the backyard or Friday pancake and movie night.

Thank you for taking the time to read our profile. We want to grow our family more than anything in this world and will shower our children with love. Our hope is that it is your child that gets to join our family. **Please know that we will be praying for you and for your child.**

We wish you nothing, but the best in your life.
